2. Upon payment of any fee established for the park use permit, the Recreation Director shall determine whether the criteria listed below are satisfied. If the Recreation Director so determines, the permit shall be granted. If the Recreation Director does not make such a determination, the matter may be referred to the City Manager for review and final determination.
  - (a) The proposed activity or use of the park will not unreasonably interfere with or detract from the general public's enjoyment of the park;
